**introducing** Con-Serv

## Versatile. Enduring. Inspiring.

Open your eyes to a world of water saving sophistication with Con-Serv products that offer intrinsic quality born of over 30 years experience in water conservation and design. Skills combined with innovative techniques and leading designs establish the enduring character for which Con-Serv is known. There is no substitute for the reliable performance or the authentic beauty of our lustre finishes that are remarkably resistant to scratching, corrosion and tarnishing. Con-Serv specialises in the design, manufacture and supply of bathroom, healthcare and plumbing products for domestic and commercial environments.

## Saving Australia's Water

All Con-Serv handheld showers are 3 Star - 9 L/min rated under the Water Efficiency Labelling and Standards (WELS) Scheme as per licence number 0046.

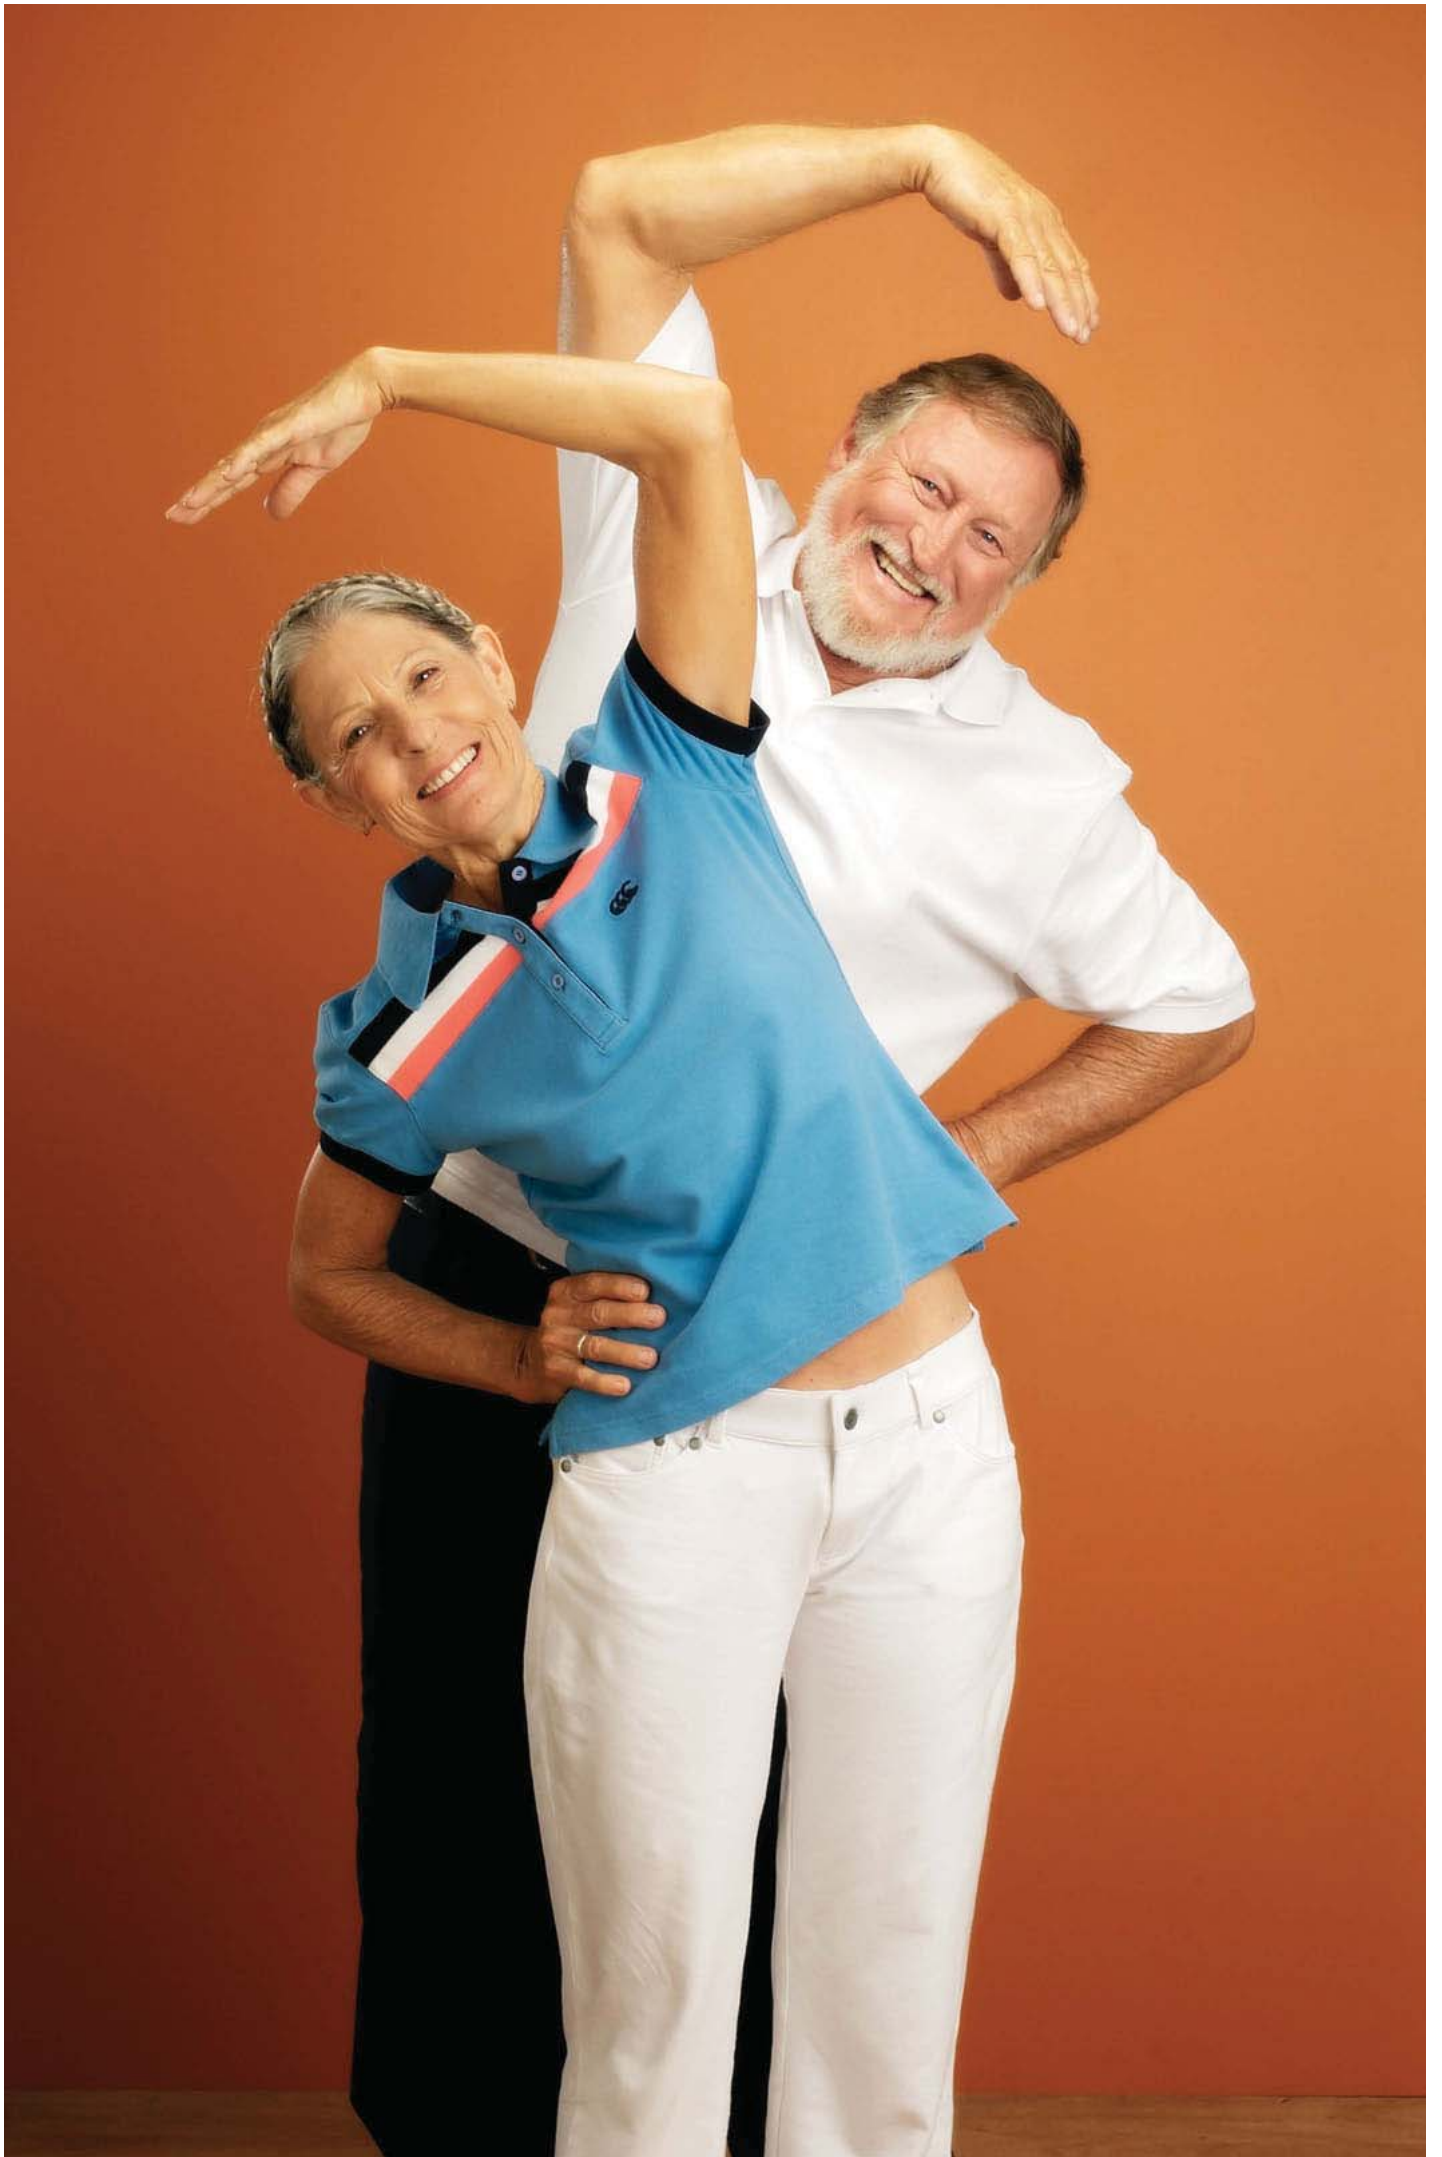

## Our Promise

Con-Serv Corporation Australia Pty Ltd warrants all products to be free from manufacturing defects for 5 years from date of purchase. Con-Serv will repair or replace defective items if defects occur in normal use. Con-Serv will not be liable for defects arising through normal wear and tear. Item(s) must be returned with proof of purchase to Con-Serv at 17 Glentanna Street, Kedron, Queensland 4031. We will attend to your warranty claim after we make appropriate investigations. Contact our Service Manager during normal office hours on 1300 467 322 or at our email address of [warranty@con-serv.com.au](mailto:warranty@con-serv.com.au). If a warranty claim is accepted, Con-Serv will bear the reasonable costs of the return of the defective item(s) to us. A claim for expenses associated with making a claim for a defective product must be in writing and submitted to us with copies of supporting documents. The benefits given under our warranty are in addition to other rights and remedies of the customer under a law in relation to goods and services to which this warranty relates. Our goods come with guarantees that cannot be excluded under the Australian Consumer Law. You are entitled to a replacement or a refund for a major failure and compensation for any other reasonable foreseeable loss or damage. You are also entitled to have the goods repaired or replaced if the goods fail to be of acceptable quality and the failure does not amount to a major failure.

# Fold away shower seats

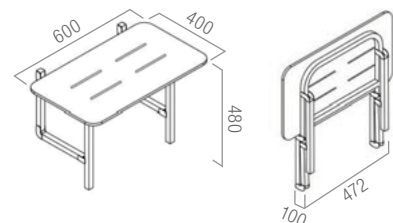

When safety in the shower is paramount, Con-Serv shower seats are the industry recognised solution with rounded edges and seats that are foldable, self-draining and non-slip. Manufactured from grade 304 stainless steel, with white high density Polyethylene (HDPE) seat top and assembled with anti-drop tension hinges ensuring stability up to 160 kg. While Con-Serv offers all the styles shown below seats can be manufactured to requested specifications.

## Assorted grab rails

In keeping with Con-Serv's focus in its home and healthcare collection of Independence with Style, all assorted grab rails are manufactured with HYGIENIC SEAL™ to help protect against grime build-up and create a polished appearance. By offering a selection of grab rails for vertical or horizontal positioning with optional folding and locking capabilities, Con-Serv completes its comprehensive range. The latest addition to the range is the TILTLOCK® fold down dual grab rail with concealed fixings. Assorted grab rails meet the strength requirements of AS 1428.1-2009 and are available with optional chrome or gold dress rings in the following finishes: satin supreme, polish supreme, diamond knurled grip and a selection of colours.
